*1200mm also available in double bowl.

01 Qubo 900 2 Drawers in Coffee

New timber veneer colours!

Timber veneer is used on Michel Cesar products and is a 100% natural product, peeled from logs.

To ensure our timber veneer is totally protected, we use our superior paint process then add a further clear finish as a protective barrier. The standard finish is 30% gloss – however, we also offer a stunning, high-gloss timber finish.
