Longer Lasting

Our solid surface tops are made by Kordura surfaces, one of the world's leading manufacturers of quartz surfaces and high performance solid surfaces. The tops are non-porous and scratch resistant, making the top highly durable against everyday products. And with a beautiful range of colours to choose from, you will enjoy a quality material and finish with the looks to create a beautiful interior.

Superior Paint Finish

The Bath Co flawless cabinetry finish is achieved through our high-tech paint layering process, where every panel is painted and heated at least five times before being assembled into the unit of your choice. Five times harder than lacquer painted surfaces, it is the only process of its kind in Australasia and comes with a five-year warranty.

Pick A Colour

Our contemporary colour range is regularly reviewed and renewed to keep ahead of the latest aesthetics in interior design, ensures you have the perfect options to create a range of looks. Our naturals, greys and blacks are the most popular, but for people wanting something dynamic, select from our carefully selected brights to make your interior absolutely memorable.

Timber Finish

When a natural timber finish is desired, we believe in the authenticity that only real timber can provide. Bonded to a moisture-resistant MDF, all timbers come stained and sealed with a highly protective UV finish. Blonde Oak, Coffee, Dark Oak, Natural Oak, Noce, White Oak, Chestnut and Walnut all display a natural variation of colour and grain, creating the recognisable warmth and character of a natural product.

Melamine Finish

Our wood grain melamine is a low-pressure laminated. Colours are available in Charred Oak, Driftwood, Manhattan Elm, Southern Oak Wilderness, French Oak Wilderness and Nordic Ash.

Smooth Touch

Experience the quality and finish of Bath Co products in person. We invite you to visit one of our showrooms to touch and discover a surface so impeccably smooth you could be forgiven for thinking it was glass.
