

Assisi Walk-In Shower

DESCRIPTION

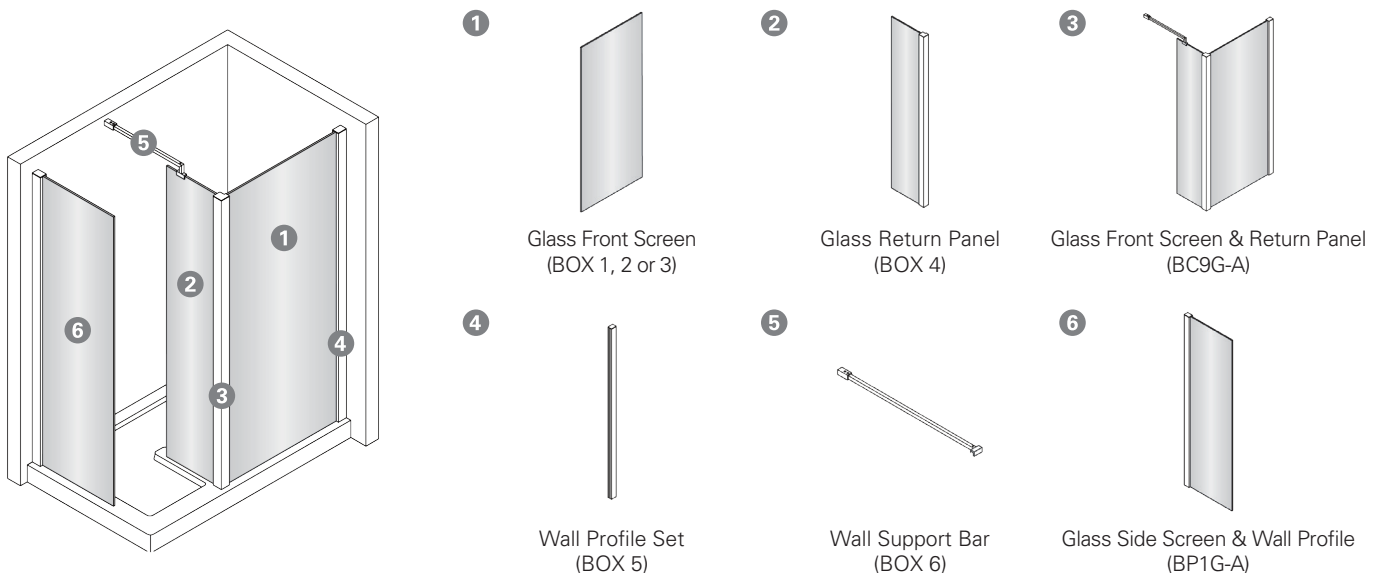

Assisi Walk-In Shower

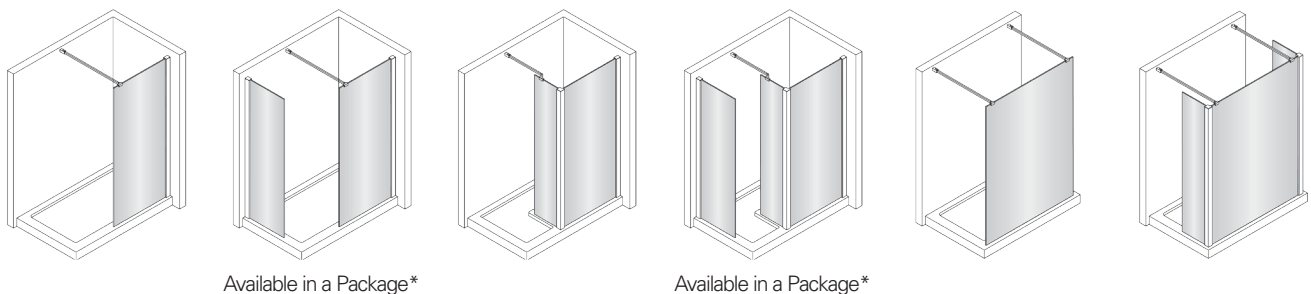

FEATURES

- Clean and simple design with a feeling of openness and space.
- Available in a package* or you can choose your own combination of shower components from the Assisi range.
- All showers can be configured to open on both sides or one side only.
- All showers are 2000mm height (excluding shower tray).
- All fittings are finished in satin silver chrome.
- All glass screens are 8mm toughened safety glass with 3M Ultimate Glass Protection System.
- Can be installed on a shower tray or onto a tile floor.
- Pair it with our walk-in shower tray available – 1400mm (BSF-1490), 1600mm (BSF-1600) or 1700mm (BS-1780). Other shower trays also available, please refer to our VCBC catalogue.

ASSISI SHOWER COMPONENTS

ASSISI SHOWER COMBINATIONS GUIDE**

NOTES

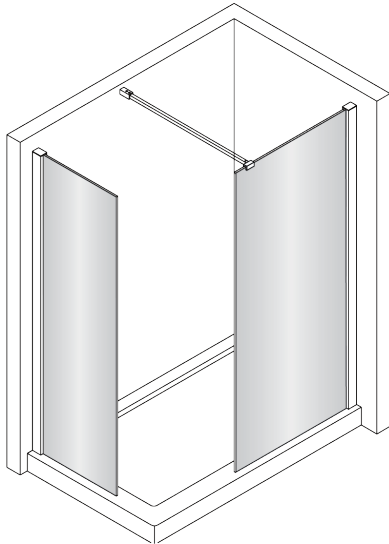

*Package does not include shower tray, liner, upstands, fixtures or tapware. These showers are best suited to wet room installation. Please check with installers/local regulations for suitability. **Drawings indicate a sample guide of possible shower combinations only and is not a reflection of how the unit will look. You can create your own combination that is best suited to your bathroom. Drawings not to scale. September 2019.

Assisi Walk-In Shower
