LAUNDRY /LAYOUT PLANNER

PLAN YOUR LAUNDRY

Use the scale drawings below and the layout grid on the following page to plan your laundry layout.

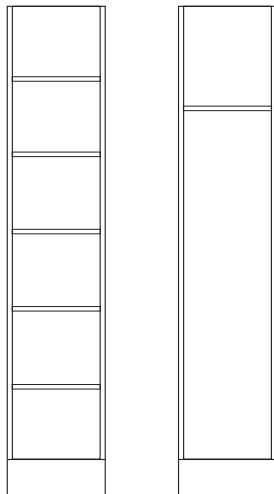

Things to Keep in Mind

- ☐ Locations of existing and future power points, plumbing, light fixtures etc.
- ☐ Check if the floor is level.
- ☐ The amount of room that doors and windows need to open.
- ☐ The size of your washing machine and dryer.
- ☐ Access points for installation - where will the cabinets be carried in from?

What to Measure in your Laundry

- ☐ Overall size of laundry.
- ☐ Wall to wall. Don't forget to allow for tiles if the walls haven't been tiled yet.
- ☐ Size and location of doors and windows.
- ☐ Waste and/or pipe positions.
