LAUNDRY

Durability/

We use high-performance Kordura bench tops to ensure a hard but smooth finish that is water, heat and stain-resistant. Its durable, non-porous surface makes it easy to maintain and very hygienic.

Quality Guaranteed/

At Bath Co, we proudly stand behind the quality of our products and your satisfaction is our priority. Our belief in only using quality materials and workmanship is proudly backed by our warranties.

Colour Range/

Our contemporary colour range, regularly reviewed to keep ahead of the latest aesthetics in interior design, ensures you have the perfect options to create a range of looks.

Smooth Touch/

Experience the quality and finish of Bath Co products in person. We invite you to visit one of our showrooms to discover our range for yourself.

Timber Finish/

When a natural timber finish is desired, we believe in the authenticity that only real timber can provide. Bonded to a moisture-resistant MDF, all timbers come sealed with a highly protective UV finish. Blonde Oak, Coffee, Dark Oak, Natural Oak, Noce, White Oak, Chestnut and Walnut all display a natural variation of colour and grain.

Environmental Choice/

Bath Co make an ongoing commitment to the New Zealand environment, and follow best practice in all aspects of design and production. Purchasing from our Laundry range means you own a quality product, one where the environment came first at every stage of the manufacturing process.

Sustainably Sourced/

We are committed to reduce our environmental footprint and working proactively with industry and regulatory bodies to respond to sustainability issues. Bath Co source and manufacture using quality materials that are derived with sustainability in mind.

Superior Paint Finish/

Bath Co's flawless cabinetry finish is achieved through our high-tech paint layering process, where every panel is painted and heated at least five times. This process creates our signature, hard paint finish, making our furniture highly durable and silky smooth, backed with a five-year warranty.

Made in New Zealand/

Bath Co has remained committed to New Zealand, continuing to manufacture in this country. Our manufacturing and distribution centres located in Auckland and Christchurch allow us to easily supply to a range of clients across the length of New Zealand.

Freshly laundered linen is one of life's little luxuries, and a Bath Co laundry that brings function and exquisite form together, makes wash day a breeze.

Bespoke and beautiful, a Bath Co laundry is the natural domain of domestic gods and goddesses. Purposeful design teamed with serene styling lend a meditative mood to everyday tasks.

Choose cabinets to fit the space, select colours that make your heart hum, add a tub for hand-washing and finish with a high-performance surface.

Your work here is done. Crafted with care, a Bath Co laundry brings practical, pure design to your home.
