Longer Lasting.

We use a high-performance modern Kordura for all our bench tops to ensure a hard but smooth finish that is water, scratch, heat and stain resistant. Its durable, nonporous surface makes it easy to maintain and very hygienic. And, with a beautiful range of colours to choose from, you will enjoy a quality material and finish with the looks to create a beautiful bathroom interior.

Superior Paint Finish.

The Michel César flawless cabinetry finish is achieved through our high-tech paint layering process, where every panel is painted and heated at least five times before being assembled into the unit of your choice. Five times harder than lacquer painted surfaces, it is the only process of its kind in Australasia and comes with a five-year warranty.

Pick a Colour.

Our contemporary colour range, regularly reviewed and renewed to keep ahead of the latest aesthetics in interior design, ensures you have the perfect options to create a range of looks. Our naturals, greys and blacks are the most popular, but for people wanting something more dynamic, select from our carefully selected brights to make your interior absolutely memorable.

Timber Finish.

When a natural timber finish is desired, we believe in the authenticity that only real timber can provide. Bonded to a moisture-resistant MDF, all timbers come stained and sealed with a highly protective UV finish. Dark Oak, Natural Oak, Noce, White Oak, Chestnut, Walnut, Coffee, and Blonde Oak all display a natural variation of colour and grain, creating the recognisable warmth and character of a natural product.

Touch It.

Experience the quality and finish of Michel César products in person. We invite you to visit one of our showrooms to touch and discover a surface so impeccably smooth you could be forgiven for thinking it was glass.

Made in New Zealand.

New Zealand made cabinets.

NOTES

*Additional cost. See ‘Important’ section at back of book for pricing.

****KORDURA TOPS** • Additional cost for coloured finishes (excluding White). See ‘Important’ section at back of book for pricing • Available in Fine (12.6mm), Standard (25mm), and Deep (70mm). Deep and Fine Tops – White + Carrara Marble finishes only. Zero vanities and Laundry – 25mm tops only • Fine Kordura tops not available with Undermount or Semi-Recessed basins.

IMPORTANT

TIMBER FINISHES

Timber finishes are available in Dark Oak, Natural Oak, Walnut, Noce, White Oak, Chestnut, Blonde Oak, and Coffee. Being 100% natural products, each may have variations in grain and colour, Satin or Gloss Finish. (Gloss finish 20% surcharge).

PAINT FINISHES

The paint used in our products is polyurethane or U.V based. It is up to five times harder and more durable than lacquer finishes.

SOLID KORDURA TOPS

Michel César resistant solid Kordura surface is extremely durable, hard yet soft to feel. It is water, scratch, heat and stain resistant. It is nonporous so is easily maintained and very hygienic. Solid Kordura tops available in: White, Carrara Marble, Ice Crystal, Peak Stone and Black Granite. All tops are supplied Matt. Additional cost of 15% for all coloured Kordura tops, excluding White.

PRICING

Prices quoted in our price list are for White Gloss paint and Timber Veneer. For colours/finishes other than White Gloss paint – Add 15% to the White price. Metallic and Black – Add 25% to the White Gloss price (Matt or Gloss finishes available). Gloss Timber Veneer finish – Add 20% to Timber Veneer price. Note: some colours may vary between samples.

TAP HOLES

All vitreous tops and basins are quoted with one tap hole. Please ask for pricing on other configurations. Kordura tops are not pre-drilled for tap holes – it is the responsibility of the installer to cut these. These hybrid solid surfaces hold solid colour throughout and can be easily cut or drilled with a router, Jigsaw or Hole saw.

DELIVERY

We aim to despatch all standard orders within five days of receipt of the order. Imported products, timber finishes, paint colours, and other non-standard items may be subject to a longer delivery date. We will keep you informed if this occurs.

NON STOCK ITEMS

Products made to order take longer to deliver (timber and coloured units).

FREIGHT

Freight will be charged for orders under \$400.

WARRANTIES

Furniture – 5 years. China tops and basins – 5 years. All warranties are subject to conditions supplied with product at time of purchase.

DISCLAIMER

Bath Co retain the right to change products and specifications without notice. All measurements are in millimetres and are nominal only. **We do not give a full refund if you change your mind.** Restocking and freight costs will be applicable. All made-to-order products are non-returnable. If the goods are faulty, however, we will meet our obligations under the Consumer Guarantees Act.

INSTALLATION TIPS

All china tops must be secured to walls with fixing bolts supplied. Bolts must be fastened to solid timber or concrete. All units require appropriate framing, especially wall-hung units. Bottle traps and contoured basin wastes must be used. Italian china tops are fired at 1200 degrees centigrade. As a result, they may be slightly distorted due to shrinkage. Units and tops not installed correctly will be void of warranty.
