IMPORTANT INFORMATION

TIMBER FINISHES

Timber finishes are available in White Oak, Blonde Oak, Natural Oak, Walnut, Chestnut, Coffee, Noce, and Dark Oak. Being 100% natural products, each may have variations in grain and colour.

PAINT & MELAMINE FINISHES

The paint used in our products is polyurethane based and it is up to five times harder and more durable than lacquer finishes. Our wood grain melamine is a low-pressure laminate. Colours are available in Driftwood, French Oak, Manhattan Elm, Honey Ash, Classic Walnut, Smoked Ash, Southern Oak, Hickory Walnut, Black Forest, and Charred Oak.

KORDURA TOPS

Bath Co Kordura surface is extremely durable, hard yet soft to feel. It is water, heat and stain resistant. It is non-porous, so is easily maintained and very hygienic. Tops available in: White, Carrara Marble, Ariston, Ice Crystal, Peak Stone, Akashi Grey, and Black Granite.

TAP HOLES

Kordura tops are not pre-drilled for tap holes – it is the responsibility of the installer to cut these. These hybrid solid surfaces hold solid colour throughout and can be easily cut or drilled with a Router, Jigsaw or Holesaw.

FREIGHT

Freight will be charged for orders under \$400

NON STOCK ITEMS

Products made to order take longer to manufacture (timber and coloured units).

DISCLAIMER

Bath Co retains the right to change products and specifications without notice. All measurements are in millimetres and are nominal only.

Prices are indicative only and subject to change.

We do not give a full refund if you change your mind. Restocking and freight costs will be applicable. All made to order products are non-returnable. If the goods are faulty, however, we will meet our obligations under the Consumer Guarantees Act.

INSTALLATION TIPS

All products must be inspected before installation. Bath Co is not liable for removal and installation costs.

If an extension/overhang is ordered; the top must be firmly secured to the wall, or other solid fixing system. An end panel can be ordered separately.

Bottle traps and contoured basin wastes must be used.
