

Class 1

# VCBC Toilets and Bidets

Product Disclosure Information Self-Assessment

Version: V220823

<b>Product name</b>	VCBC Toilets and Bidets
<b>Product line</b>	
<b>Product identifier</b>	Cascade, Milan, Onda, Rest, Sphere

## Product description

The pans are white ceramic. The seats are white plastic with a soft close hinge.

The cisterns are either close-coupled and white ceramic or in-wall with a plastic tank and steel supports.

VCBC toilet and bidet suites extend 515-690mm from the wall.

## Relevant building code clauses

B2 Durability — B2.3.1 (c)

F2 Hazardous building materials — F2.3.1

G1 Personal Hygiene — G1.3.2

## Contributions to compliance

- B2 Durability o B2.3.1 VCBC toilets and bidets carry a 5 year warranty for normal, domestic use, and 1 year warranty for commercial use
- F2 Hazardous building materials o F2.3.1 VCBC toilets and bidets are safe when handled. There are no requirements for this product in order to comply with Acceptable Solution F2/AS1, First Edition Amendment 3, 2017.
- G1 Personal Hygiene o G1.3.2 VCBC toilets and bidets shall be installed to: facilitate sanitation, avoid harbouring dirt or germs, allow effective cleaning, discharge to a plumbing and drainage system as required by Clause G13 Foul water when water-borne disposal is used, and provide a healthy safe disposal system when non-water-borne disposal is used Sanitary fittings should be easy to locate and identify, with their operation easy to understand and suitable for both standing and seated users

## Scope of use

VCBC toilets and bidets are intended for domestic and commercial use. They are designed to enclose water.

Toilet suites are to be floor or wall mounted and cisterns either wall mounted or in-wall where applicable. Wall mounted and wall faced toilet pans are compatible with VCBC In-Wall cisterns

Bidets are to be floor mounted, and compatible with other plumbing fittings.

## Conditions of use

VCBC toilets and bidets must be installed in accordance with the instructions provided, and by a registered plumber. Floor mounted toilets and bidets must be fitted on flat surfaces that are free of movement.

These products are intended for domestic and commercial use. They are cleanable and impervious to moisture

Suitable for Accessible facilities		x
Provision of hot water		x

### Building code performance clauses

All relevant building code performance clauses listed in this document:

#### B2 Durability

##### B2.3.1

*Building elements* must, with only normal maintenance, continue to satisfy the performance requirements of this code for the lesser of the *specified intended life* of the *building*, if stated, or:

(c) 5 years if:

- i. the *building elements* (including services, linings, renewable protective coatings, and *fixtures*) are easy to access and replace, and
- ii. failure of those building elements to comply with the *building code* would be easily detected during normal use of the *building*.

#### F2 Hazardous building materials

##### F2.3.1

The quantities of gas, liquid, radiation or solid particles emitted by materials used in the *construction of buildings*, shall not give rise to harmful concentrations at the surface of the material where the material is exposed, or in the atmosphere of any space.

#### G1 Personal Hygiene

##### G1.3.2

*Sanitary fixtures* shall be located, constructed and installed to:

- a. facilitate *sanitation*,
- b. avoid risk of food contamination,
- c. avoid harbouring dirt or germs,
- d. provide appropriate privacy,
- e. avoid affecting occupants of adjacent spaces from the presence of unpleasant odours, accumulation of offensive matter, or other source of annoyance,
