Melamine Finish.

Melamine is a durable and easy care low pressure laminate surface. Stylish and affordable, it comes in a variety of wood look finishes. Melamine is a popular choice for bathroom and laundry furniture.

Timber Finish.

When a natural timber finish is desired, we believe in the authenticity that only real timber can provide. Bonded to a moisture-resistant MDF, stained and sealed. all display a natural variation of colour and grain, creating the recognisable warmth and character of a natural product.

Superior Paint Finish.

The Bath Co flawless cabinetry finish is achieved through our high-tech paint layering process, every panel is painted and heated at least five times. Five times harder than lacquer painted surfaces, it is the only process of its kind in Australasia and comes with a five-year warranty. Pick a Colour. Our custom colour service gives the option to have nearly any painted colour finish. A great idea for people wanting something more dynamic in their bathroom or laundry area.

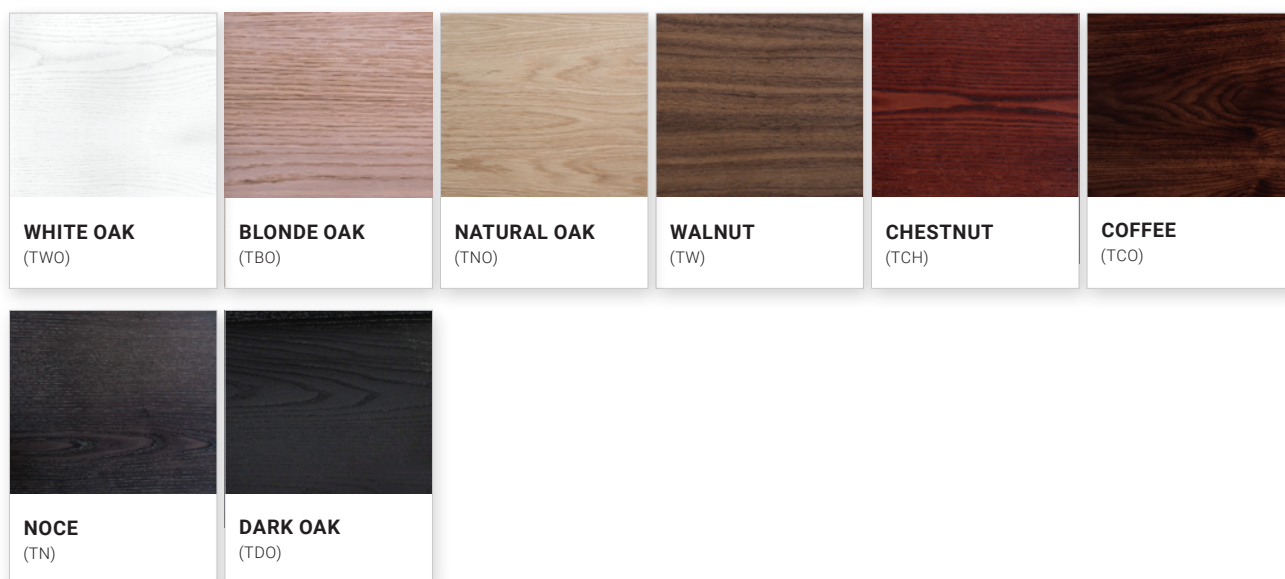

Made in New Zealand.
