Why Choose Us

Made in New Zealand/

Bath Co has remained committed to New Zealand, continuing to manufacture in this country. Our manufacturing and distribution centres located in Auckland and Christchurch allow us to easily supply to a range of clients across the length of New Zealand.

Quality Guaranteed/

At Bath Co, we proudly stand behind the quality of our products and your satisfaction is our priority. Our belief in only using quality materials and workmanship is proudly backed by our residential and commercial warranties.

Finishes/

Our contemporary range of Melamine finishes are regularly reviewed, ensuring you have the perfect options to create a range of looks.

Superior Paint Finish/

Bath Co's flawless cabinetry finish is achieved through our high-tech polyurethane paint layering process, where every panel is painted and heated at least five times. This process creates our signature, hard paint finish, making our furniture highly durable and silky smooth, backed with a five-year warranty.

Custom Colour/

Create your own unique and stylish bathroom with our Custom Colour service. Our VCBC range offers Matte Custom Colour Paint in a select range of products.

Environmental Choice/

Bath Co has made an ongoing commitment to the New Zealand environment, to follow best practice in all aspects of design and production. Purchasing from our VCBC range means you own a quality product, one where the environment came first at every stage of the manufacturing process.

Sustainably Sourced/

We are committed to reducing our environmental footprint and work proactively with industry and regulatory bodies to respond to sustainability issues. Bath Co source and manufacture using quality materials that are derived with sustainability in mind.

Experience Our Ranges/

Experience our selection of VCBC products in person. We invite you to visit one of our showrooms to discover our range for yourself.

Our Story

In 1950, a time when single-bathroom households were the prevailing standard, Bath Co (previously Smail & Co) embarked on its journey as a family-run business. Over the decades, innovation has seen us adapt, and just like our customers' needs and wants, we'll continue to evolve.

When it comes to the manufacture and importation of bathroom products, we know our stuff. Our VCBC collection is made here in New Zealand, using the latest technology to produce pieces of flawless quality, finish and durability that'll look great, suit your lifestyle.

We create contemporary pieces that suit a wide range of personalities and budgets. Most of the ceramics and accessories that complement our collection are sourced from design houses in China – where leading design is matched by unrivalled standards of craftsmanship and quality.

Visit our showrooms in Auckland and Christchurch to browse our VCBC Collection.

Bold & Monochromatic

Black-and-white is a classic color combination that never goes out of style. It's the perfect palette to use in bathroom design — and for good reason. White keeps the space feeling clean and fresh, while black offers rich contrast and depth. Whether you want a more traditional look or something more rustic or contemporary, black-and-white fits right in with any design style.

Natural & Organic

If you're looking for ways to add a natural and organic look to your bathroom, why not consider a timber effect finish?

A great way to bring natural character into your bathroom is by using Melamine timber look cabinetry finishes, you can create a warm, friendly atmosphere that will make your bathroom feel like home.

Bright & Fresh

Bathrooms are often overlooked spaces in the home when it comes to decorating or styling. It can be tricky to know how to give these spaces personality and not leave them looking cold and sterile. Choosing fresh and bright timber look Melamine finishes can help you achieve this look without sacrificing functionality or comfort.

engineered
composite

ClearStone is an advanced, new material, bonded together with milled sedimentary stone and a high-performance aluminium/titanium filler base. This unique combination allows baths to be crafted with delicate edges. ClearStone baths are a brilliant high-gloss white, with a hard wearing, scratch-resistant surface. With its exceptional performance, it is engineered to last a lifetime. ClearStone can also be repaired in the event of minor scratches or chips.

Delicate & Sleek

Form

Minimalistic and beautiful, the internal space of this bath is bigger than most full-size regular baths, thanks to its narrow rim.

Important Info

Melamine Finishes

Our Melamine timber look finishes are available in Driftwood, Nordic Ash, French Oak, Original Oak, Honey Ash, Classic Walnut, Smoked Ash, Southern Oak, Hickory Walnut, Black Forest and Charred Oak. Our Melamine finish is a durable low pressure laminate, and due to being easy care it is a popular choice for bathroom furniture.

Paint Finishes

Bath Co's flawless cabinetry finish is achieved through our high-tech polyurethane paint layering process, where every panel is painted and heated at least five times. This process creates our signature, hard paint finish, making our furniture highly durable and silky smooth, backed with a five-year warranty. Custom Colours are hand sprayed and finished.

Kordura Tops

VCBC solid Kordura surface is extremely durable, hard yet soft to feel. It is water, heat and stain resistant. It is nonporous so is easily maintained and very hygienic. VCBC solid Kordura tops are available in White (coloured Kordura tops available with English Classic double bowl vanities). All tops are supplied Matte.

Tap Holes

All vitreous tops and basins are quoted with one tap hole. Please ask for pricing on other configurations.

Kordura tops are not pre-drilled for tap holes – it is the responsibility of the installer to cut these. These hybrid solid surfaces hold solid colour throughout and can be easily cut or drilled with a router, jigsaw or hole saw.

Non-Stock Items

Products made to order such as our Custom Colour units are classed as non-stock items. Please allow for longer lead times. You will be updated on estimated dispatch times.

Delivery

We aim to dispatch all orders as quickly as possible. Due to the bespoke nature of some VCBC furniture including Custom Colours, and other non-standard items these dispatch dates will vary. You will be updated on estimated dispatch times.

All products must be checked upon delivery and any defects or shipping damage must be reported immediately to the retailer you purchased it from.

Freight

Freight will be charged for orders under \$400.

Warranties

All warranties are subject to conditions supplied with product at time of purchase. For all warranty conditions and details please visit www.bathco.co.nz/warranties

Disclaimer

Bath Co retains the right to change products and specifications without notice. All measurements are in millimeters and are nominal only.

Returns if accepted will incur freight costs and restocking fee if applicable. **All made-to-order products are non-returnable.** If the goods are faulty, however, we will meet our obligations under the Consumer Guarantees Act.

Bath Co cannot guarantee colour accuracy of Custom Colours or our finishes represented in catalogues, websites and other marketing material. For most accurate representation, view physical colour swatches at paint manufacturers and our signature finishes at Bath Co showrooms, or stockists.

Installation

It is recommended that a qualified, licensed trades person installs your unit. All goods must be checked on delivery and prior to installation. If defects are found due to manufacturing faults then goods **MUST NOT be installed.**

Before installing please refer to full installation instructions found online at www.bathco.co.nz/downloads/product-info-installation
